Within 24 hours of registering, the team captain will receive a confirmation email containing important information about the tournament.

### IS IT REQUIRED FOR ALL TEAM MEMBERS TO BE THE SAME AGE AND/OR GRADE LEVEL?

No. It is not required, but please be aware that bracketing teams with very diverse player characteristics against other teams of similar makeup may not be feasible. All youth and high school teams will be bracketed by grade-level based on the oldest player's grade level. There are some divisions that do have age and/or grade level parameters.

### **WHO CAN PLAY IN THE FAMILY DIVISION?**

Everyone is welcome in the family division! The only requirement is that all team members must be related to the designated team captain.

### **AM I ALLOWED TO PLAY ON MULTIPLE TEAMS?**

Players may be on more than one team, however they can only play on one team per division. Please be aware we cannot guarantee there won't be any scheduling conflict in game start times. Bracket schedules will not be adjusted for teams that lack players due to multiple team participation.

### **HOW MANY PLAYERS OF EACH GENDER NEED TO BE ON A TEAM IN THE CO-ED DIVISION?**

The minimum requirement is at least one player of each gender on every team. Please keep in mind however, that there must be at least one player of each gender on the court at all times. If a team has only one male and he is unable to play due to injury or other reason, the entire team will be disqualified.

### **HOW TALL WILL THE HOOP BE FOR THE YOUTH DIVISIONS?**

All courts will be equipped with a 10' hoop. There are no modifications to hoop height.
